Tactical Tower - Smoke generator only — $200.00 per half day (4 hours); $350.00 full day (9 hours)

Tactical Tower with Burners and Smoke** — $250.00 per hour (2 hour minimum required)

**An RPSTC approved operator must be present during burn operations (*rate is $75.00 per hour, which is included in the user fee*). Fees also include cost of propane and smoke. RPSTC Manager will make every attempt to arrange for an operator on the day of training you request. If no operators are available, no burn operations will occur. Please have alternative training planned. If the burners have maintenance issues which cannot be resolved quickly during your burn operations, you will only be assessed actual time the burn facility was operable. Again, please have alternative training planned so your training day is not wasted. *The RPSTC does not provide firefighting instruction; the agency using the facility must have a certified firefighter instructor present at all times during scheduled training.*
